

Name: _____

Point of Delivery

Gary is a local truck driver. He makes several deliveries each day and then returns home at night. Use this graph to write and plot coordinates based on the instructions below.

Write the coordinates of the following:

Gary's Home

Gary's Truck

Gas Station

Gary's first delivery is at (1,5). Plot and label this point "A."

His second delivery is at (4,3). Plot and label this point "B."

His third delivery is at (6,1). Plot and label this point "C."

Gary's final delivery is at (3,4). Plot and label this point "D."
